

PRESIDENT'S MESSAGE

Dear Friends & Fellow Artists,

This is my final President's Message as I have stepped down to allow a change in leadership for the Association. It was an honor and a privilege to serve for two years and I'd like to thank all of you for your support, friendship and assistance.

During my time on the board, what stood out above all else about our organization is the behind the scenes work and support from all the volunteers who are so willing to give their time and talents. The list of people who continually help with all the details for our many events is too numerous to mention, but I wish to personally thank each and every one of you for your commitment and a job well done.

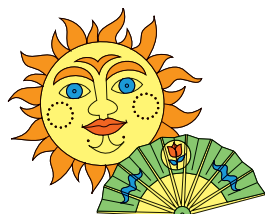

In closing, I would like to send my best wishes to incoming President George Gooch. He has done so much for this organization in the past, so we are all in very good hands for the future!

Thank you,
Tom Swimm

A HEARTFELT GOODBYE

By Steve Kell

It's with a heavy heart and a tear in my eye that we have to say goodbye to Tom Swimm. Not "goodbye" in the sense that he's riding off into the sunset with a bag of trailmix, but only "goodbye" in the sense he's stepping down from the being the head honcho, the master of the boardroom, the all-knowing Grand Poo-bah and President of our association. In all seriousness, well, maybe not all, Tom stepped up when the board needed him most, bringing his years of experience, expertise and wit to the position, and for that, we're all grateful. He always has a lot of irons in the fire, and volunteering his time was not an easy decision, I assume. We wish him all the best. His check is in the mail.
