

PRESIDENT'S MESSAGE

Fellow Artists,

We are still working on the survey to help define our goals for the future of the association. The survey has not received a lot of attention. You are encouraged to give your thoughts prior to the survey by e-mailing ggooch2@cox.net.

Please, when the survey comes out, take a moment and complete the survey. You may make comments provided in the comment section. If you wish to remain anonymous just leave the name blank and drop the survey by the gallery, we will have an envelope there for Surveys.

Cynthia Britain was our guest demonstrator for the March meeting. This was an interesting demo on how she paints. You could see the beginning and the finished painting all on one pallet. She showed us quite a lot of her style, it was another great demo. Cynthia also donated a painting for the raffle at the meeting, "What a deal". Thanks to Pattie Prather, 1st Vice President who has obtained outstanding artist for our meeting demonstrations.

This bares repeating:

Remember, Sheila Shephard, 2nd Vice President has brought new life to our website; coupled with Jim Proett, they make a great team. Please take the time to take a look. She has added a new feature of a Member Profile, which is excellent. Also, back is our showcasing member's work with show winner's images. One additional reason to check out the website is to see how you can win a prize! Look for the hint! Sheila has also taken on the task of managing the SC Arts & Crafts Fair. This is our main fund raiser to support the Gallery. I encourage our artists to participate by showing your work. Contact Sheila if you are interested.

As most of you have heard, we are suspending the Plein Air, Paint San Clemente this year. We are looking to retool the event or replacing it with a different program. I wish to acknowledge all the hard work the Paint SC committee has put in throughout the years. It has been an arduous task and has required an immense amount of work. A shout out to Pam Hill, who created and chaired the event for the past fifteen years. The committee and many volunteers made it a very special San Clemente City event and will be missed.

We are working with the city to paint the slat boards in the gallery, they are also replacing the carpet sometime in 2017.

Sincerely, George

APRIL DEMONSTRATOR

SUNDAY, APRIL 9, 3pm

Mark Jacobucci

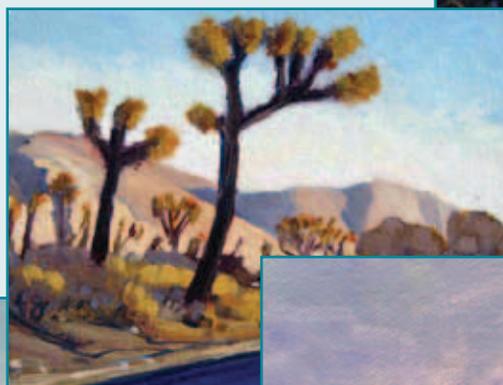

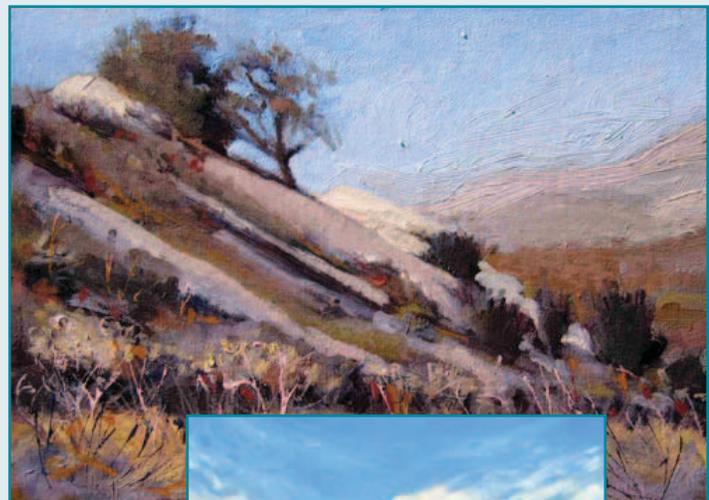

Mark has drawn since he could hold a pencil. He studied painting in high school on Cape Cod, Massachusetts and attended Brandeis University for a BA and the University of Massachusetts, Amherst, earning an MLA. Early influences include the painters Paul Georges, Paul Brown, and sculptor Peter Grippe, all known in the New York art scene. After receiving his Master's Degree in Landscape Architecture in 1984, Mark came to California in 1985 to work in the profession at an internationally acclaimed design firm in Laguna Beach.

He continued to sketch and draw illustratives for his design projects, then renewed his passion for art by attending life drawing sessions at the Laguna College of Art. Mark also attended painting workshops in Laguna Beach, California and the Fechin Institute in Taos, New Mexico.

Mark's paintings are primarily landscapes: beaches and coastlines, roads, alleys, and agrarian scenes. Some pieces depict areas that have since been developed or are slated for development. These he considers historical documents. Using strong contrast, vibrant colors, and loose, spontaneous brushwork, Mark paints in the plein-air, alla prima style most often in the studio. His style has a contemporary flair which differentiates his landscapes from plein-air artists of the past who may have painted similar scenes.

Mark's background as a Landscape Architect has influenced his artistic vision. He says that Landscape Architecture and painting have much in common; one is landscaping with paint on canvas, the other is painting with landscape on the land.

Grew up on Cape Cod, Massachusetts Resided in Laguna Beach and Laguna Niguel, California since 1985. He is a member of the Laguna Plein-Air Painters Association, California Art Club & Southern California Artists Association.

MAP is catching on in 2017!

MAP started off its season by participating in 1st Combat Engineers Battalion's Couples Summit organized by Chaplain Austin Grimes. It was such a success CEB invited us back for another Paint 'n Sip offered to spouses as well as couples. Gyn Sgt. Hudnall, Family Readiness Officer of CEB put together the evening with babysitting for those without. We were all in the same room so it was hectic at times and always fun! Maurine Lacher did a great job leading participants with the assistance of Mary Clare Doyle and JoAnn Christman.

Our February 18th drawing workshop taught by Alan Nowel was cancelled due to illness. Alan, glad you are better! We'll reschedule in the upcoming months. Students who showed up for Alan's class were sent home with sketch pads and pencils to practice on their own! (Mary Clare Doyle thanks to you too!)

March 4th Maurine Lacher led another fun family painting workshop for families. We had entire families...dad, mom and kids...painting penguins! Thanks JoAnn Christman for all your help.

Coming up March 18 is 2D Animation with Mike Marchisotto. This workshop is designed for older children and adults. Mike will be projecting some of his own work during the workshop. More on this later. Ruth and George Gooch plan on assisting Mike during this workshop.

Also in March MAP joins 2d Battalion 4th Marines in our first **'Brushes, Brats and Brew'**. Mark Sperling, Family Readiness Officer of 2-4 came up with 'BBB' to reach out to single military. BBB hopes to provide a casual setting for art conversation. Steve Kell, Alan Nowell and Herb Laizans SCAA artists will be on hand with examples of their own artwork.

April 1 will be the last in our scheduled on base workshops. Doris Weinbaum, Rose Walker and Priscilla Daniel of SCAA's jewelry group will teach two jewelry projects designed for older children and their parents.

If you'd like to get involved please contact me: Sandy Beeler at 949 492 0994 or map_scaa@cox.net. **ALL are welcome!**
