#### President's Message:

Once more I greet you with great anticipation of the year to come. We have made great strides in the Art Community and in the city of San Clemente. We are a force that other groups emulate. I said this in 2012 and in 2016 and it is still true today.

This new year we will see some changes on the board. Patty Prather is now Gallery Co-Chair with Mary Scott. Rose Walker has accepted the role of 1st Vice President and Sponsorship Chairman, Sheila Shepard, 2nd Vice Chairman, is also in charge of the Art and Crafts Fair. Barbara Daniel is Scholarship Chairman. The Jewelry Chairman's position is co-chaired by Doris Weinbaum and Linda Dette. The jewelry sales have added to the Gallery revenue, which supports and enriches the artist offering to the community.

Sandy Beeler started the MAP program two years ago for the military and families. This program is funded by donations (thanks to the San Clemente Sunrise Rotary Club) and takes care of all the supplies that are needed by the military families. Sandy is also our Publicity Chairperson.

Ruth Yuhas has accepted the role of Parliamentarian. Steve Kell has accepted the position of Member at Large.

Our Mission Statement remains the same: to provide a gallery for all of San Clemente and to support the school art programs as well as other groups. Our monthly demonstrators are top of the art world and we welcome all members and guests.

See you around the gallery!

George Gooch, President

# Featured Artist, Shida Rad

## ABOUT THE ARTIST:

Shida was educated in biology as her major and in psychology as her minor, and later studied child development in California where she worked as a teacher. It was in Thailand where she found the opportunity to enter and pursue her lifetime love of art through Asian brush painting. She studied under Master Lim Opas for six years and expanded her skills in oils, acrylics, pastels and western watercolors in the U.S.

She is a colorist and impressionist and her genre of work extends from portraits, still life, landscapes, to abstracts and original creations combined with elements of nature.

Shida is an art teacher, a member of several art organizations, and a winner of many awards. She believes that art conditions and refines one's soul and hopes that the production and creation of each piece of her work brings out joy and inspiration in others. ## Jewelry News

It has been so rewarding to see our jewelry pieces purchased by visitors to our Gallery this summer and know they are going to homes throughout the country. Many thanks to all the Gallery sitters who make the sales!

**As a reminder to the Gallery sitters:** Please leave the tags on the jewelry when you sell it. We want the customer to have the information that is on the tag. It has our names and what the piece is made from. We do not want the tag removed and taped to the invoice in the book, but we do want you to write down the name of the jewelry artist and what type of jewelry it was that sold (necklace, bracelet, earrings, etc.) Then please call us and give us the good news!

**Linda Dette** joined **Doris Weinbaum** as co-chairs of the Jewelry Group and Rose Walker has stepped down. Many thanks to Rose for her service last year — she is still an active member of the Board and we thank her for that, too. Linda Dette has been making jewelry for about five years, starting with bead stringing. After an auto accident injury, she started taking classes at the Saddleback College in the Emeritus Program. She is now designing, sculpting and enameling jewelry with sterling silver and gemstones along with fine silver and 22k gold precious metal clay.

We are always looking for new jewelry artists. Please contact one of us if you are interested or know someone who might be.

Thanks, as always, for selling our jewelry!

## SEPTEMBER DEMONSTRATOR

**Sunday, September 10 — 3:00—5:00 pm**

**Kevin Davidson**

Kevin is a wonderful artist and he will be using watercolor on Yupo paper.  
What a treat! You do not want to miss this demonstration!  
FREE for members, \$5 for non-members.

## Kevin Davidson

*God's creation is my inspiration, with a little help from Yupo!*

As a graduate with a Bachelor of Fine Arts in illustration from Art Center College of Design in 1973, I have been a freelance illustrator for 4 decades, working with local ad agencies and designers, as well as national publishers.

After taking a watercolor class from noted exhibitor Barbara Stutheit in Laguna Beach, I was introduced to Yupo paper by a fellow student and used it for an illustration project. I liked it so much I have been using it almost exclusively for my watercolors, as I love its flexibility and the freshness and intensity of color I get with it!

Even though Yupo and Plein Air Painting are a perfect match for my loose style of watercolor painting, I am also known for my oil paintings.

I have been President of The Southern California Plein Air Painters Association and am a member of San Clemente and Orange Art Associations.

My current gallery representations include Mission Fine Art Gallery in San Juan Capistrano, and Crystal Cove Cottages "Store."

**San Clemente Art Association** presented four \$1,000 scholarships to San Clemente High School graduating seniors during the school's "2017 Senior Awards" on May 18, 2017. Recipients were:

**Hannah Reed**—*Stephanie Dorey Memorial Art Scholarship Drawing & Painting*

**Anh-Vy Pham**—*Kathryn Taylor Pease Wave Foundation Fund Scholarship, a donor-advised fund of the Orange County Community Drawing & Painting*

**Emma Timmons**—*Kathryn Taylor Pease Wave Foundation Fund Scholarship a donor-advised fund of the Orange County Community, Drawing & Painting*

**John Szabo**—*Kathryn Taylor Pease Wave Foundation Fund Scholarship a donor-advised fund of the Orange County Community, Photography*

**Kathryn Taylor Pease** was a member of the San Clemente Art Association. She was a life-long educator in several roles, classroom teacher; school board member, volunteer and philanthropist. She established a foundation to support enrichment programs for school children in the arts and sciences and in sports. We thank Kathryn's daughters, Lisa Russell and Lynn Pease, for making these scholarships possible.

**Stephanie Dorey** was a teacher and popular San Clemente city councilwoman. John and Stephanie Dorey were leaders in the movement that launched to protect and preserve the beaches and earned a region wide reputation as coastal advocates. Stephanie was instrumental in creating the Water Shed Task Force. We thank Stephanie's husband, Mr. John Dorey, for making it possible to award this art scholarship.

# 57th Annual Art-Crafts Fair

The Fair was held on August 19-20 on Del Mar and Calle Seville  
There were many talented vendors and they were well received by  
residents and tourists alike!

The weather was perfect for the Fair.  
A "coupon" program was established this year  
in an effort to interest visitors,  
and turned out to be very successful!  
Reservations for next year's Fair can be  
booked now. Contact Sheila Shepard or any  
SCAA member.

**THANKS to ALL the volunteers who  
helped to make this event successful!**
